# Storage Systems

*Improve Space Efficiency & Organization*

 **AKRO-MILS®**

# Shelving Systems

Manufactured from high-grade, 22-gauge steel with a baked enamel finish. Shelving can be ordered independently or purchased with bins as a complete system.

The shelving units are easy to assemble, using nuts and bolts only on the top and bottom shelves. All other shelves are quickly assembled and can be adjusted when necessary using compression clips. All units feature a "sanitary", closed base that keeps debris and small parts from underneath the shelving.

## Shelf Bin Systems

These economical shelving systems include Akro-Mils polypropylene shelf bins with hopper fronts.

Bins are available in two depths (12" and 18") and five different widths. Bin Color: yellow.

Easy Adjustment - Quickly change shelf height with compression clips

350 pound capacity per shelf when assembled and installed per instructions.

- 12"D x 36"W x 75"H
- 13 shelves
- Holds up to 144 bins

### 12" Shelf Bin System 12" x 36" x 75"

# Pick Rack Systems

Akro-Mils Pick Racks are easy to assemble and provide convenient, high-density storage. The angled shelves keep small parts in the front of the bins for easy viewing and picking. Pick Racks are available as bench, free standing, and mobile units. You can order racks separately or purchase a package, which includes Akro-Mils' durable, plastic Shelf Bins. Each rack has a gray, baked-enamel finish. All bins are yellow.

# Cabinet Systems

Akro-Mils cabinets are perfect for protecting parts and products from dust, damage, and theft. Each cabinet comes fully assembled and ready to use. You can choose from models featuring solid, quick-view, or secure-view (metal mesh) doors. All cabinets are lockable and come with two keys. The cabinets have a baked enamel finish. A variety of AkroBin® packages are available to customize cabinets for your unique storage requirements. AkroBins are yellow and are shipped in cartons.

## AkroBin Cabinets

*Cabinets provide double-locking door protection for tools, dies, supplies, and personal belongings. Constructed of 16-gauge steel.*
